

This Place is a ZOO!

Creating Effective Communications and Dynamic Teams

Enable your teams to communicate effectively with every type of personality whether it's the know-it-all owl, the aggressive-fighting lion, the friendly-loyal dog, or the hard-working ant. Participants in this course will be inspired to develop positive habits of communicating and team-building. Discover what motivates the animal groups.... Thinkers, Doers, and Feelers.... and how to organize them for maximum productivity and performance!
