

Professional Trainer Profile

DENNIS DASHIELL

Dennis Dashiell is a Master's level Social Worker, licensed as a mental health professional in Washington State and certified as an EAP professional. He is credentialed under the U.S. DOT as a substance abuse professional (SAP) evaluator for DOT violations.

Dashiell has many years of EAP experience serving public and private employers. He has worked in health care programs, college and university settings, community mental health, private practice, the US Veterans Administration, and a multitude of non-human services jobs. He has a long history of volunteerism with the local emergency services and industrial critical incident support teams. In his most recent positions he has specialized in team building, coworker conflict, supervisory coaching, marital/couples work, values/spiritual related issues, critical incident support services, grief work, chemical dependency (and codependency), and general issues of anxiety, depression and sleep disturbance.
